Filing date

☐ Return patents filed anytime☒ Return patents filed between Jan 1995 and Oct 2003Patents Showing: [Any status](#) View as: [List](#) Patents 1 - 24 on compression manipulation open ar[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

Media editor for non-linear editing system

US Pat. 6154600 - Filed Aug 5, 1997 - Applied Magic, Inc.

4c illustrates the compression engine provides data compression and a rear view
... video vides for the output and manipulation of the hypermedia images. ...

Global packet-switched computer network telephony server

US Pat. 6343086 - Filed Sep 9, 1997 - Natural MicroSystems Corporation

MVIP is an open, non-proprietary family 40 of protocol standards for ... where the
host PC processor 11 can perform manipulation of the data as needed. ...

Multiple sequence MPEG decoder

US Pat. 5812791 - Filed Dec 19, 1996 - CagEnt Technologies, Inc.

Both standards have several basic compression algorithms in common, ... group of
pictures has no such pictures while an "open" group of pictures contains ...

Method and system for sizing of graphical user interface objects for ...

US Pat. 5671378 - Filed Mar 31, 1995 - International Business Machines Corporation

Description of the Related Art The manipulation of data in a data processing system
... Architecture Common User Access Advanced Interface Design Reference, ...

Process for controlling an MPEG decoder

US Pat. 5774206 - Filed Dec 19, 1996 - CagEnt Technologies, Inc.

PCT/US92/09349, entitled AUDIO/VIDEO COMPUTER ARCHITECTURE, 35 by inventors Mical et
... Both standards have several basic compression algorithms in common, ...

[APPLICATION] Distributed, collaborative workflow management software

US Pat. 10311449 - Filed Aug 8, 2003

The GUI of the purpose-built image manipulation software allows the user to ...
method, and architecture of the invention, its utilization might consist of ...

System for reducing user-visibility latency in network transactions

US Pat. 6457054 - Filed Dec 30, 1997 - Intel Corporation

In this particular embodiment, parser 22 is designed in compliance with the
Windows Open Systems Architecture (WOSA), and may be implemented as a Win32 DLL ...

Method for presenting advertising in an interactive service

US Pat. 7047209 - Filed May 15, 2002 - International Business Machines

15 ADVERTISEMENT OBJECT, 16 [**<header>** (compression descriptor) ... As noted, the
object architecture allows logical events to be specified in the object ...

Methods and architecture for indexing and editing compressed video over the ...

US Pat. 6735253 - Filed Mar 14, 2000 - The Trustees of Columbia University in the City of New York

This client-server model empowers clients 1250, 1260 with much richer resources
beyond that provided by the client's local system. The client 1260 may open ...

High speed data transfer mechanism

US Pat. 7209972 - Filed Feb 1, 2000 - CommVault Systems, Inc.

Buffer Manipulation Primitives Referring now to FIG. ... includes control messaging sockets 92 open to all modules through which it can control or change ...

[APPLICATION] Imaging apparatus and remote management system of the same
US Pat. 10392861 - Filed Mar 21, 2003

2 shows an architecture of the imaging apparatus 10. ... a print data communication module, and a printer display and key manipulation module. ...

System for synchronizing by transmitting control packet to omit blocks from ...

US Pat. 5737531 - Filed Jun 27, 1995 - International Business Machines Corporation

Consequently, the MMIO 702 isolates the rest multimedia support, including a multimedia control inter- of the code from the actual file manipulation ...

Apparatus and method for treatment of tissue

US Pat. 6413255 - Filed Mar 9, 2000 - Thermage, Inc.

Furthermore, manipulation of the EMF pattern to a more youthful EMF profile may ... Vectors of external mechanical compression can be used to smooth surface ...

[APPLICATION] Pipelined high speed data transfer mechanism

US Pat. 10144683 - Filed May 13, 2002

[0041] Buffer Manipulation Primitives [0042] Referring now to FIG. ... includes control messaging sockets 92 open to all modules through which it can ...

[APPLICATION] Computer-controlled system and method for generating a customized imprinted item

US Pat. 9818704 - Filed Mar 27, 2001 - Ipadz.Com, Inc.

1 illustrates in flow diagram form a system architecture 1000 of an illustrative ... [0040] The server system 2100 further comprises image manipulation ...

[APPLICATION] Communication architecture utilizing emulator interface

US Pat. 10313538 - Filed Dec 5, 2002 - Oak Technology, Inc.

For example, the AV system 515 can support an open-ended variety of audio-visual devices ... or simply passes through raw frame data without manipulation ...

[APPLICATION] Technique for collecting data relating to activity of a user receiving ...

US Pat. 10439620 - Filed May 16, 2003

[0007] Thus, MPEG-2 achieves its compression by assuming that only small portions of ... These PVR-like manipulation commands can enhance a user's program ...

[APPLICATION] Open platform system and method

US Pat. 10402847 - Filed Mar 28, 2003

... create documents in the standard group IV CCITT compression format and ... the interface provides common controls for the display and manipulation of ...

[APPLICATION] Refrigerator system and software architecture

US Pat. 9754600 - Filed Jan 5, 2001

1) according to user preference via manipulation of a control interface 124 mounted ... components for executing a vapor compression cycle for cooling air. ...

Adaptive pattern recognition based controller apparatus and method and human ...

US Pat. 7242988 - Filed Mar 2, 1999

"Open . . . successfully completes first phase of production with Bulldog's
et al., "Manipulation of music for melody matching" ACM Multimedia 98 ...

[APPLICATION] Method and apparatus for a commercial network system designed to facilitate ...

US Pat. 9816489 - Filed Mar 22, 2001

An example of this manipulation would be an end user identifying an ... processor employs a 32-bit architecture. Equivalent processors from such companies ...

Securized, multifunction, acquisition and processing terminal usable in the ...

US Pat. 6011850 - Filed Nov 17, 1995 - Jean-Marie Gatto, Dominique Bertrand

Advantageously, compression- decompression is separated from confidentiality.

... door 44 giving easy access for any manipulation or change of board 14. ...

Remote control system and method for a television receiver

US Pat. 6724368 - Filed Dec 14, 2001 - Koninklijke Philips Electronics N.V.

1 is a simplified block diagram illustrating the architecture of a remote ...

preset frequencies to be used as a point device for screen manipulation. ...

Emulator-enabled network connectivity to a device

US Pat. 7209874 - Filed Dec 5, 2002 - Zoran Corporation

For example, the AV system 515 can support an open-ended variety of audio-visual

... or simply passes through raw frame data without manipulation. ...
